2007 calendar!

and see back page.*

Everyone is welcome to attend though you should mention from the start if you do not want a part! The auditions are at 5, The Granaries and will last till about 9.30 or 10 pm.

Those attending help to read the script of "Puss in Boots" through taking parts as allocated by our master, Arthur Jackson. At the finish parts are offered over tea and coffee and the excitement that is the Tuddenham pantomime begins, hurtling towards the performances in February.

If you have never taken part you would be MOST welcome as new talent is much sought after. Ring Peter on 785584 for details. Behind the scenes staff are also needed and there is no better way to get to know your fellow villagers.

TATTLER CALENDARS

The Tuddenham Tattler calendars are now available for collection at 5, The Granaries. If

we are not in when you call please leave money for calendar in marked envelope and we will drop the calendars off at your place. They are £6 each.

If you have not already ordered one we have just decided to do a second print run which will start in about four weeks. Ring editor on 785588 to place your orders.

This the first time we have printed with a laser printer and we are interested in your comments. It was much faster but not the trouble free process we were hoping for. Mind you the previous years have been SO much worse!

I have posted some calendars off to Mike and Kim Vonk who moved out of Rose Cottages recently to return to South Africa. Kim emailed me to tell that they arrived safely and Mike is job hunting while they all soak in the hot weather. We wish them well. Calendars also go to my family in Australia. Where do yours go? We would love to hear from you and know more about their destinations.

Thank you to all residents who supported this venture which raises funds for next year's Tattler as well as for village activities.

Village Sale

Our thanks to all those who helped at the sale, bought at the sale, and brought to the sale. Particularly to those who did all three!

Together we managed to raise £264 after expenses and the total still has a little way to go. We also took three car loads to shops in Ipswich; the Red Cross, Cancer Research and YMCA, so it all got a good home.

The sale has a friendly feel to it for which we thank you all!

This is a short version of the Tuddenham Tattler as we wanted to bring to your attention the

precise date and time for the pantomime auditions. This will be the first panto without Monica as our leader and we want to show her that her work over the years has been sustained.

So all you new folk out there - the pantomime was started to help people get to know each other in the village. Take the chance, off stage or

on, and taste the community Tuddenham offers. This is only the start!
